Hi Team,

Are we able to scope out this location in the garment district to get a sense of the issues and what safety concerns might be present?

Thanks.

Brian

Hey Ron. Thanks for bringing this up. We will deploy resources to scope out the issue. It'd be great to know what the specific safety concerns are as that will be what determines the intervention.

Generally, if someone wants to know what we're doing as a city to address homelessness, they should go to lamayor.org/homelessness <<http://lamayor.org/homelessness>>. I also included Angie, the field area rep from MOPE who can provide further engagement.

Hope this helps!

Thanks.

Hi Christina,

Hope you're well.

DM Chun received an email via LAEDC from Mike Tabassi, owner of Design Knit Inc, a garment manufacturer located at 1636 Staunton Ave <<https://maps.google.com/?q=1636+Staunton+Ave&entry=gmail&source=q>> regarding a homeless encampment that is causing safety concerns for employees and has affected his ability to get a tenant to rent space at his facility. This email came to us from Barbara Levine at LAEDC.

I would like to reply to Mike directly and cc LAEDC with information on what we are doing to help solve or improve the homeless issue in the city. Also, I want to mention (if anything) what we can do to address this specific complaint.

Please let me know if you have any questions.

Thank you!
